Here's contemporary art with a personal twist. [BevShots](#) are [prints](#) of your favorite beer, wine, or cocktail that have been photographed under a [microscope](#) and printed on the highest quality materials. Just launched in August, BevShots takes your vice and turns it into striking modern art. Prices start at \$49.99, but can go up to \$549. Check out their [website](#), where you can shop by beverage or [color](#)!
