Grooms' Week – Artwork for the Guy's Guy!

Posted on August 19, 2009 by globetrotingbride

Here's a neat gift idea for your groom or groomsmen. A company called [BevShots](#) is creating art for the "guys, guy!" that you'll like too. Yes, you read that right and no, these are not posters of Baywatch babes.

BevShots are pieces of art made from microscopic images of beer, wine and cocktails. How cool is that? The result is printed and professionally framed giving you a nice piece of art to go with your modern decor.

[Click here to see some pieces made from beer](#) like this one made from English Pale Lager.

[Click here to see the art made from cocktails](#) like this one made from a vodka tonic.
